

Meet the Examiner

This seminar will provide an overview of the FAA Practical Test (check ride) and common problems along with tips for a successful test. The presentation will also cover the new Airman Certification Standards (ACS) which have replaced the Practical Test Standards (PTS) for the Private Pilot Certificate and the Instrument Rating. It will provide guidance for applicants and flights instructors as to how training and preparation need to change for an applicant to have a successful practical test with the ACS.

Directions: This free safety seminar is part of the 3 day Flying Aviation Expo. For more information and admission please visit: www.Aviation-Xpo.com
